

## President Wilson Calls Upon School Children To Join Junior Red Cross

WASHINGTON, D. C., Sept. 18.—President Wilson issued a proclamation tonight calling upon the school children of the nation to do their part in the war by joining the Junior Red Cross, to assist in the mercy work of the senior organization. The proclamation follows:

"To the school children of the United States:  
"A proclamation: The president of the United States is also president of the American Red Cross. It is from these offices joined in one that I write you a word of greeting at this time when so many of you are beginning the school year.  
"The American Red Cross has just prepared a junior membership with school activities, in which every pupil in the United States can find a chance to serve our country. The school is the natural center of your life. Through it you can best work in the great cause of freedom to which we have all pledged ourselves.  
"Our Junior Red Cross will bring to you opportunities of service to your community and to other communities all over the world, and guide your service with high and religious ideals. It will teach you how to serve in order that suffering children elsewhere may have the chance to live. It will teach you how to prepare some of the supplies which wounded soldiers and homeless families lack. It will send to you, through the Red Cross bulletins, the thrilling stories of relief and rescue. And best of all, more perfectly than through any of your other school lessons, you will learn by doing those things, under your teachers' direction, to be the future good citizens of this great country which we all love.  
"And I commend to all school teachers in the country the simple plan which the American Red Cross has worked out to provide for your cooperation knowing as I do that school children will give their best service under the direct guidance and instruction of their teachers. Is not this perhaps the chance for which you have been looking to give your time and efforts in some measure to meet our national needs?  
WOODROW WILSON, President.  
Plans are now under way, in cooperation with the boards of education of various states, for launching membership campaign. Schools are to be recruited as units, with membership fees of 25 cents for each pupil. The juniors will aid in the making of the simpler articles and supplies needed in the hospitals abroad.

## WEEK'S GIFTS TO RED CROSS TOTAL \$3847

Reports of the Red Cross, for the week ending at noon today, show a total of \$3847.67 received from private contributions. The list of contributors is as follows:

For week ending October 6, 1917, .....	\$3381.04
For week ending October 13, 1917, as follows:	
Y. Ahia .....	15.00
Friend .....	2.50
F. Burt .....	100.00
Bob Purvis .....	5.00

Total .....	\$3847.67

## ANOTHER DEATH RESULTS FROM TYPHOID FEVER

Another death from typhoid at Castner has been reported to the board of health. Dr. J. S. B. Pratt, president, stated today. This was of a Japanese woman who died yesterday. A Chinese who has been living on Punchbowl was picked up as a suspect this morning, but had not yet

## Embargo On Steel Means Disaster To Nippon Firms

(Special Cable to Nippon Jiji)  
OKIO, Japan, Oct. 13.—Every three out of four shipyards in Japan will soon be forced to close down as a consequence of Viscount K. Ishii's unsuccessful attempt to have the United States government lift the embargo on steel in favor of the Japanese shipbuilders.  
Since the beginning of the great war the shipbuilding industry in Japan has made a wonderful progress, plant after plant springing up until there are in all today 55 such plants in various parts of Japan. As all these plants were getting the steel from the United States, the embargo on the exportation of iron from the United States has completely cut them off from their supplies.  
According to the prediction made here today only 13 shipbuilding companies in Japan are expected to survive the industrial crisis caused by the American embargo on steel.

## LIBERTY LOAN RALLY PLANNED BY AD CLUBBERS

Get ready for the Ad Club Liberty loan rally.

This is to be an event to which everyone is invited. It will be held on the roof garden of the Young hotel Tuesday—note the date, next Tuesday—at noon, from 12 to 1 o'clock.

Governor Powell, the Rotary club leader, who has traveled 20,000 miles through the states in recent months is to be the out of town guest and speaker. Other local men from town will make brief talks on what the men and women of Honolulu can do.

The ladies will be present and they will also be represented by a speaker. Finally Gen. Wisser has given the Ad Club a band from the United States army, and this band will play the new "Over There," the song that is ringing through the ranks of the boys as they go to camp, as they go to France, and as they make their homes in the camps of France. It is a great inspirational song. It will be played and it will be sung.

This is a rally that calls for the town to come out and give another evidence that they are behind the boys at the front and behind the government in its work of financing the great campaign.

## ACTIVE DUTY SUMMONS FOR LIEUT. WILKERSON

Cabled orders received today at department headquarters call to active service in the ordnance officers' reserve corps Lieut. Erastus N. Wilkerson of the ordnance department. Lieut. Wilkerson is well known in Honolulu, having been here for the last three years in ordnance work. He is a sergeant in the regular army and has recently been stationed at Fort De Russy.

been examined thoroughly for the disease by the health authorities. A Hawaiian man—teamster at Castner—was reported as having typhoid at Waianae this morning and board of health officials were sent out to bring him to Honolulu. He will be placed in the Queen's hospital. Every precaution is being taken at Schofield, says Dr. Pratt, and everything that can be done to prevent an increase of cases is being done. The military authorities are cooperating with the territorial authorities in the matter.

## J'ACCUSE!

EVERY PERSON suffering from disease owes it to himself to investigate Chiropractic.

## The New York Electrical School

Phone Chelsea 2633

Whether Sixty or Sixteen, you are assured absolute success in the future if you attend the only school devoted to teaching every angle of Electrical Industry by a method of "actual practice." All ages enter this school on the same level, are shown "how" and "why," and make rapid progress under the watchful eye of a staff of highly trained and experienced men. No preparation needed to take this course and you can start any day of any week throughout the whole year.  
Write for illustrated booklet and "be shown" what the N. Y. Electrical School can do for YOU.

WEST 17TH ST., NEW YORK

## Food Conservation

The Elks invite the public to join in the campaign for Food Saving.

You can help by doing your bit in the home.

Fill out the blank below and mail it to Box 616, Honolulu.

MR. JOHN A. HUGHES,  
Chairman Food Conservation Committee,  
Honolulu Lodge No. 616, B. P. O. Elks.

I hereby pledge that for the duration of the war the following rules will be observed in my household:

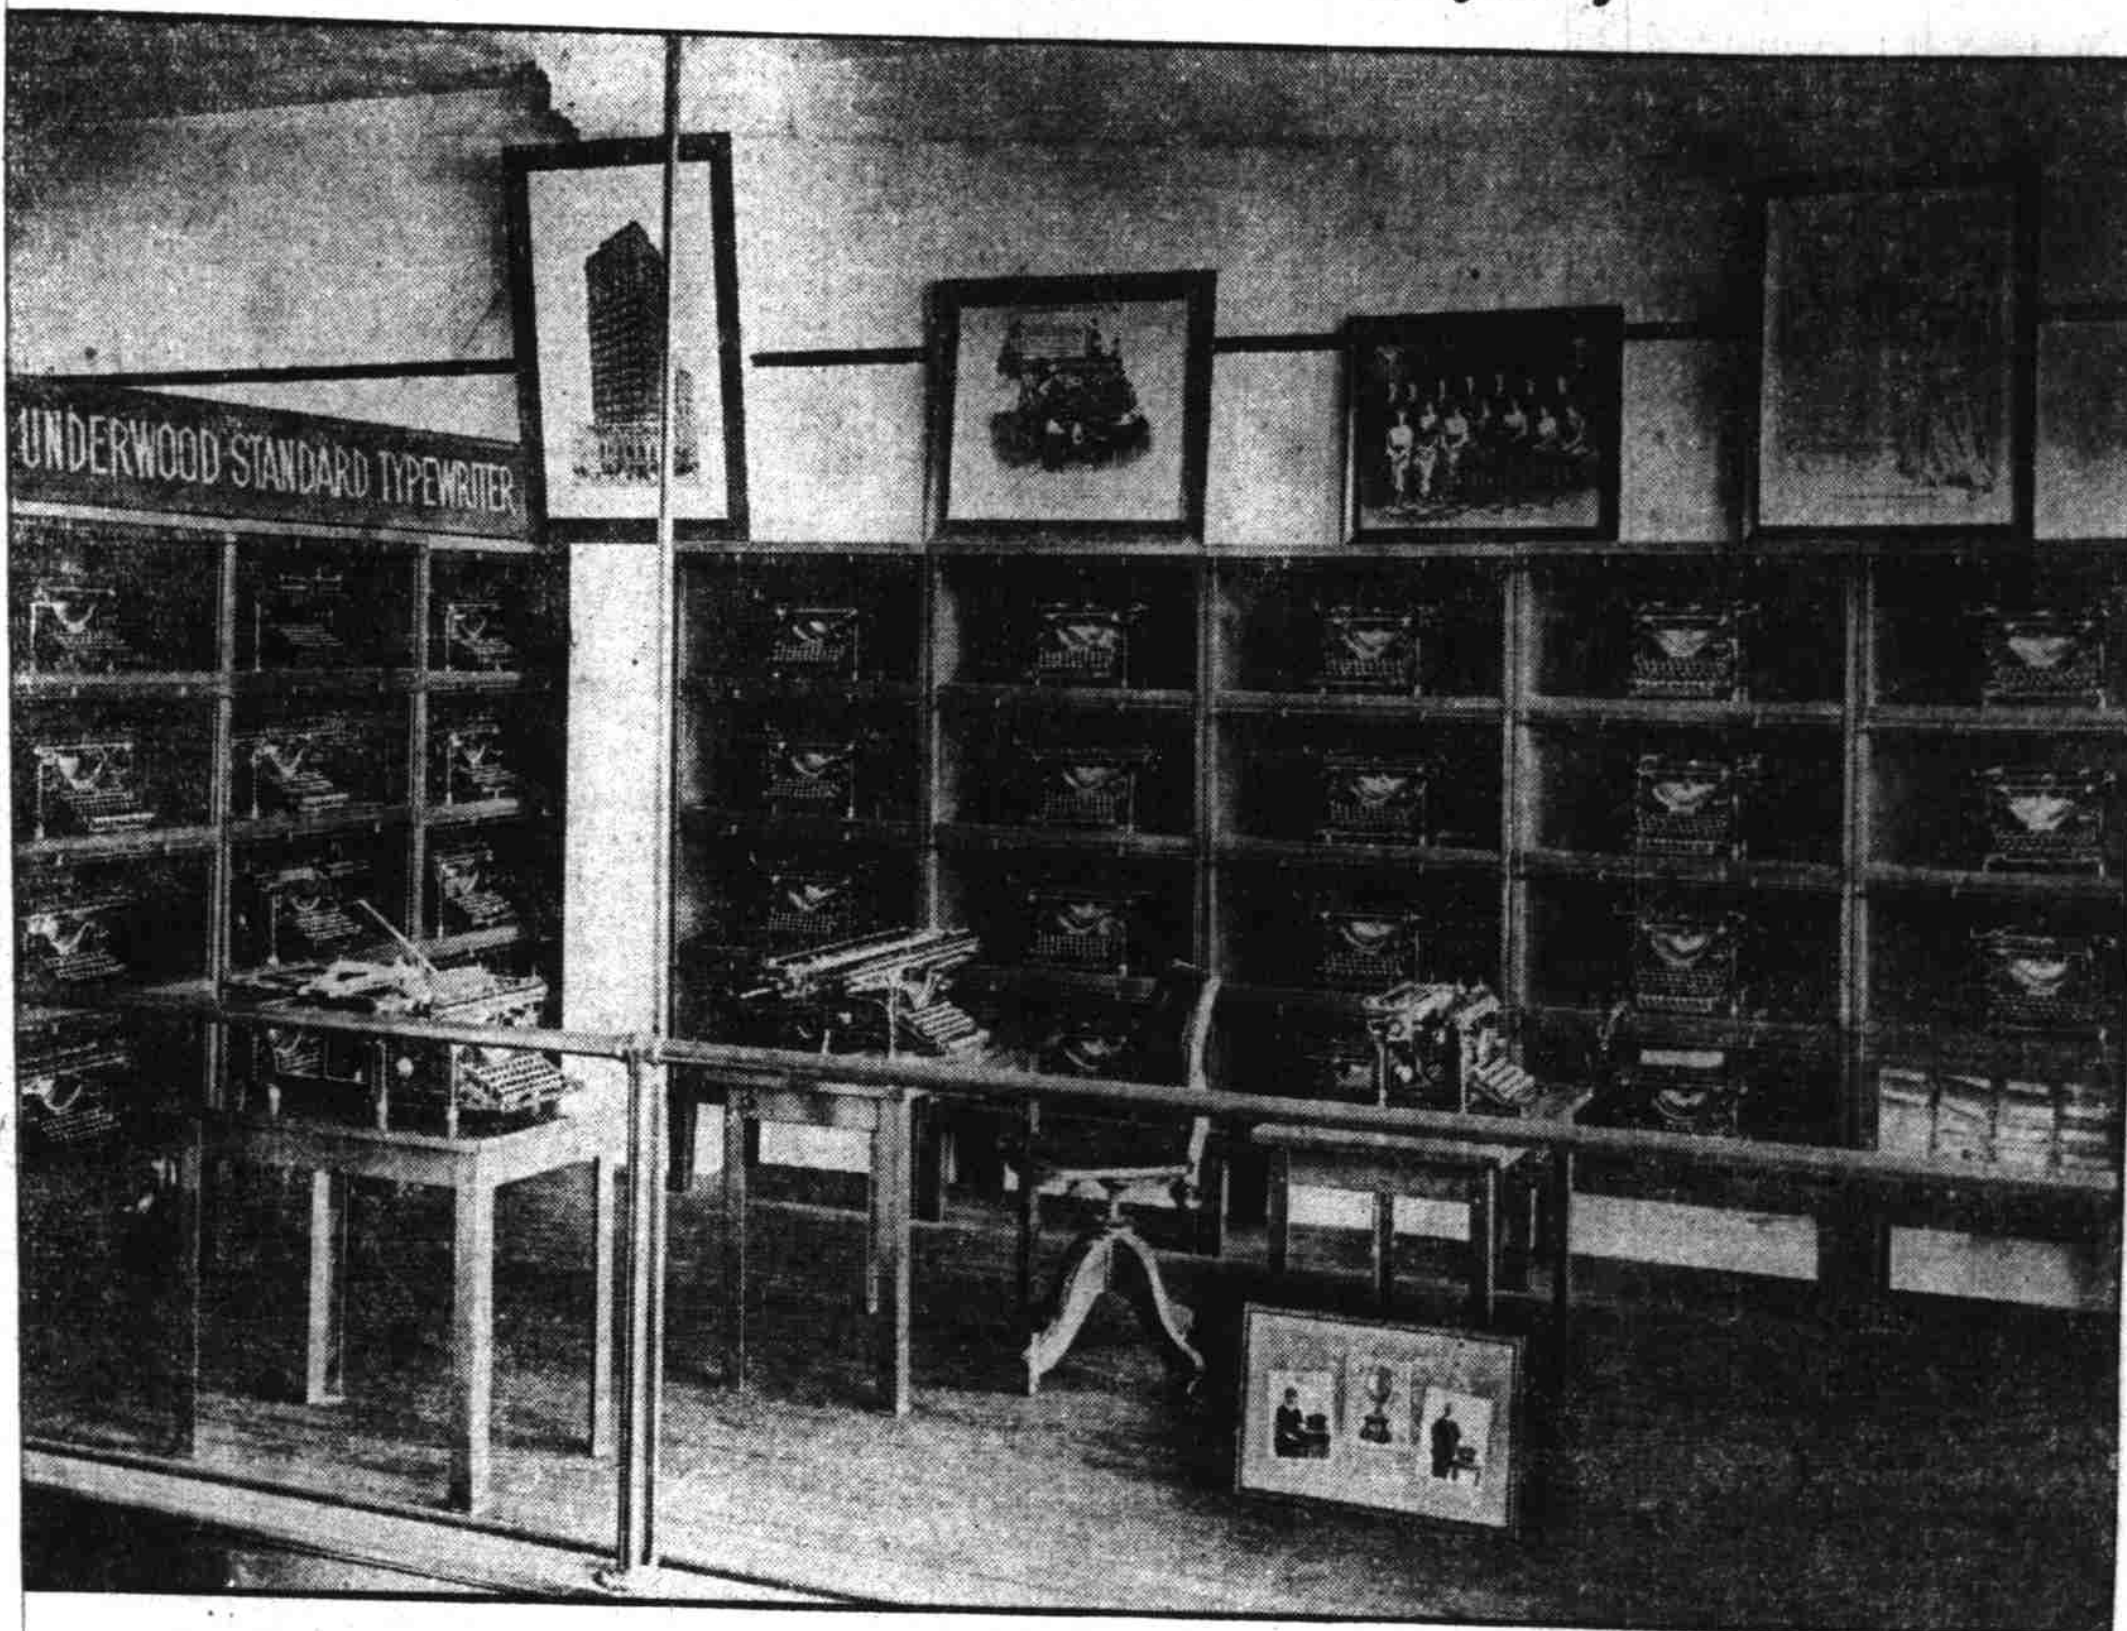

- That one meal each day shall be served without wheat food.
- That one meal each day shall be served without meats.
- That no butter shall be used for cooking purposes when a satisfactory substitute is available.
- That bread shall be sliced during each meal only as required for immediate consumption.
- That at three meals each week at least one dish shall be served prepared from food unconsumed at previous meals.
